JOIN US FOR SOUTH DAKOTA STATE UNIVERSITY'S PREMIER ANNUAL AGRICULTURAL EVENT: **THE 100TH LITTLE INTERNATIONAL**

What is Little International?

Little International is the largest two-day agricultural exposition in the country fully planned, organized, and implemented by students at SDSU for the benefit of high school and collegiate students. Our exposition provides students with an opportunity to compete in judging contests, showmanship competitions, and fitting competitions.

Why contribute?

Little "I" provides a fun, competitive opportunity for high school & college students to develop and refine skills essential for lifelong success in agriculture. Students can capitalize on the event by developing time management skills, responsibility, hard work, networking, and personal achievement while enjoying the fun. Each sponsorship level allows you and your company to reach over 2,000 FFA members & advisors and hundreds of college students, alumni, and attendees while investing in future agriculturalists.

How can you contribute?

As a student organization, we operate solely on donations, sponsorships, and advertisements. We seek financial assistance to remain a strong agricultural expo and provide great opportunities and experiences for the leaders of tomorrow. Monetary donations are essential to our success. Our event would not be possible without support from individuals and companies like you!

This year we are celebrating our centennial celebration! With over 99 years of legacy and tradition, this year's staff is excited to see all of our hard work play out on the green.

Look inside for a detailed description of each support opportunity. Please complete, detach, and mail us the return form by Jan. 31, 2023. This form is all-inclusive and allows you to contribute in all interest areas with only one payment. To receive full recognition of your sponsorship, please return by Jan. 31, 2023, to ensure your name is on all printed material.

On behalf of the Little International Staff, thank you for your support! We would like you to attend the Little International festivities on March 31 - April 1, 2023.
